

Multi-Use Games Area (MUGA) at Barnes Farm Junior School

Fundraising Goals

The Governors of Barnes Farm Junior School have set the wheels in motion for a new multi-purpose sports area to be built on the top portion of our field. This will allow this part of our school site to be used all year round to promote healthy lifestyles and develop sporting skills further.

We have set ourselves a target of raising £10,000 of voluntary contributions by May 2016. Other funding sources such as the Sport Premium are being used to find the remainder of the project cost. £2,500 has already been raised through a donation from the Friends of Barnes Farm PTA.

A number of opportunities for our school community to pledge further funds to this total have been planned. We are also scaling back on our charitable work during this time so that we can concentrate on implementing this much needed resource to our school before our Y6 pupils leave in July 2016 so they may benefit from it as well.

We hope you will find the activities fun and interesting to support. Four of them will involve sales after school in the hall or Barn, organised and led by a different House on a series of Fridays. These will be open to all children and parents/carers to enjoy. A sponsored event is also planned, with full details and sponsor sheet to follow soon. Individual donations can also be made via ParentPay.

Date	Event	Supported and led by
Friday 26 th February 3-15pm	Pizza sale	Griffin House
Thursday 10 th March	Sponsored skipping event	Whole school
Friday 11 th March 3-15pm	Cake sale	Phoenix House
Friday 22 nd April 3-15pm	Pick 'n' mix sale	Pegasus House
Friday 6 th May 3-15pm	Ice cream sale	Dragon House

A reminder/more details will be given in advance for each activity.

Yours sincerely,

Headteacher
