## Flu Immunisation

With this newsletter, you should receive a pack with information about 'flu immunisation. 'Provide' have been successful in securing pilot status to deliver a programme of influenza (flu) immunisation to all primary school aged children in Mid Essex.

The pilot will involve offering flu immunisation, administered by a nasal spray, to all children aged from 4 years up to and including year 6 pupils.

This will be on **Monday 24th November.**

Please read the pack carefully and return the necessary information.

## Friends of Barnes Farm Schools

As well as Bag2School collections this week, the PTA was active in holding their first ever Junior discos last weekend. A huge thank you to all those volunteers who made the event enjoyable and raised funds for the school.
