5CH Lauren Eley  
5S Jessica Tuff  
5C Jamie Robinson  
4P Oscar Ithier  
4T Hayden Bundock  
4CK Albert Price  
3S Adam Jolly  
3RS Oliver Dockerill  
3V Marian Rodriguez  
Mid-day Star Sophie Bradley

## 'We are taking effective action' - HMI Update November 2015

The report from the HMI Inspector's 4th November visit was circulated yesterday and is now live on the school and Ofsted website. We welcomed the recognition given to the successful implementation of the Single Plan so far and were delighted with the following feedback in particular:

*"Teachers provide helpful feedback to pupils about what they have done well and how to improve their work. This is further evidence of consistently high expectations of pupils"*  
*"Teaching assistants are also now used more effectively to support small groups and individuals who need to catch up"*  
*"Pupils now have more regular opportunities to use their basic skills to solve problems"*  
*"The new homework journals give pupils engaging tasks to complete at home; pupils are proud of them and enjoy completing a range of activities"*

As planned, our focus will shift to increasing our effectiveness in the areas identified to further improve evaluating our teaching and sharing key strengths. I would like to thank the pupils, staff and Governors for their hard work in enabling these improvements.

This latest report does not change our overall judgement, but marks an important milestone towards our striving to be outstanding by the next full inspection (which will be by April 2017 at the latest)

## Coding Club

As this week draws the Autumn clubs to a close, I would like to report how impressed I was with Coding Club's achievements. This club is run by Mr Russell (one of our parents) and the children were so keen to share how much they had learnt this term. Their confidence at trying new things was astonishing and even greater plans await for the Spring Term. Images and video are on the news area of the website—check it out!

## Nut-Free Advice

We have a number of pupils at the school with very sensitive nut allergies. In order to keep them safe, please do not send your child to school with nut-based snacks or sandwiches.

## Parent Voice

The next meeting is on the evening of Wednesday 16th December at 8pm in the Barn.

The Book Bus will be here next Weds 2nd Dec between 2:30 and 4:00pm outside the school. Why not drop in and browse?

## Wanted!

Have you any silicon chocolate moulds that you no longer need or could lend? Year 4 would be grateful for any donations for their topic in the Spring term - 'Should We Stop Eating Chocolate?' If you do have any to donate to the school, please bring them into the school office where they will be passed on to the Year 4 team. Many thanks - Design and Technology Leader.

The Friends of Barnes Farm Schools raised over £900 to be split equally between the two schools at our recent Winter Bazaar. The Junior school will be using this donation to contribute to our planned multi-use games area. Thank you!

## Midday Assistants REQUIRED

Do you have an hour to spare at lunchtime to help our pupils have a safe, successful and enjoyable lunchtime? We are recruiting to boost our mid-day team. Please enquire at the front office to be sent an information pack or contact us by e-mail. Closing date is 4pm Friday 4th December.

## Other Key dates

**23rd-27th Nov** Last week of clubs

**Sat 12th Dec** PTA Christmas Craft 10am

**Mon 14th Dec** Y3 Production 2pm,  
Y4 Production 7pm
