## - ${ }^{2}$ Laps for Laptops <br> 

Dear Parents and Carers,
On Thursday $29^{\text {th }}$ March we will be holding a sponsored walk event to raise money for the school to further improve the pupils' access to IT equipment. We hold several charity days over the course of the year, but this event is aimed at raising money solely on behalf of the school.

Each class will get 30 minutes to complete as many laps of our new Mile-A-Day track as they can. 6 laps of this new sport-premium funded track is equal to 1 mile.

We would like your child to ask for family members and friends to sponsor them for this challenge. Please see the sponsor form on the back of this sheet.

Sponsors can either pledge to support your child per lap or simply pledge a total amount. Although we prefer payments to be made through ParentPay, we will be accepting cash payments for this event. Please ensure any donations are carefully sealed
 and labelled with your child's name and class.

Your child will just need to ensure that they have their PE kit in school and we will write in their Learning passport how many laps they achieved.

The money raised will go directly towards the purchase of portable laptops (or Chromebooks) to support the children’s learning in class. For every $£ 1$ raised by parents, the school will invest $£ 3$ in the purchase of this equipment.

I wish your child well in the challenge and for your continued financial support towards the school.

Regards,

Ross McTaggart Headteacher
