Y5 Easter Performance 'Resurrection Rocks!'

A huge well done to the pupils and staff who performed 'Resurrection Rocks!' at the Church of Our Saviour this afternoon in front of family and Y6 pupils. The singing, narrating and acting were brilliant and we are all very proud of your performances, large and small.

Headteacher's Holiday Homework

We are launching a new competition to find the next front cover of the 'Learning Passport' for 2017-2018. Joseph Jacobs (now in Y4) designed this year's edition and based his idea on our Houses. Over Easter, I am asking all of our children to consider entering their design on A4 by Friday 21st April. The design needs to have a space for children to add their name and class too.

Finally, I would like to wish all of you a peaceful and enjoyable break and see you back after the bank holiday on Tuesday 18th April.

Bikeability in Y4

Some Y4 pupils recently completed their Level 1 Bikeability course at school. We received some excellent feedback from the instructor. She commented "The children were a credit to your school. They listened well and showed good cycling skills that I'm sure will lead to success in the Level1/2 combined course in Year 5/6."

Netball Competition

BFJS entered their netball team into a local School Sports Partnership competition. They finished in a creditable 4th place and, yet again, demonstrated impeccable behaviour and attitudes to their sport. Thank you to Mrs Vickers for organising this event.

Summer Term Breaktimes

From the Summer term, children will no longer need to bring in extra footwear to change into in order to access the field. Please take the existing change of footwear home over the Easter Holidays.

Farleigh Hospice Update

Barnes Farm Juniors raised £241 for the recent virtual balloon race. A further £68 was raised for the school but we have asked for this to be added to the total raised above. This takes the overall total raised by BFJS to **£309.56**.

Thank you to all those who supported this wonderful local charity.

Well done to Megan Gallifant in Y5 who sold the highest amount of balloons. She has been awarded some vouchers to visit Marsh Farm.
