Dear Year 4 Parents/Carers,

This term our topic is **Denmark** as part of the broader theme *European Studies*.

This includes learning about the culture, geography and history of Denmark, including some of its landmarks and famous places. We would like the pupils to complete a project based around this topic and, as this is a shorter term, this will be the only project set in Spring. Some ideas are as follows:

- Write a tourist guide brochure about Denmark.
- Create a Scandinavian dish.
- Research famous Danish artists.
- Do you agree with the UK leaving the European Union? State reasons for and against.
- Make a 3D model of the UK or Denmark showing famous landmarks.
- Research the history of the European Union and why it was formed.
- Re-write an alternative version to a Hans Christian Anderson story.
- Research and compare the Danish royal family to the British royal family.

The project should be handed in by **Friday 24th April 2020**.

We look forward to viewing your project!

Yours sincerely,

The Year 4 Teaching Team
