We would like to clarify the role of **drop-ins** following feedback from staff and ParentVoice. Drop-ins occur weekly every Wednesday between 3:15-3:45pm. They are an opportunity for parents and children to share their work or discuss general issues with their classteachers without the need for an appointment.

Parents and children wishing to use this facility should wait by the exit classroom door until all pupils have exited at 3:15pm and then enter. Parents do not need to go through the main office entrance and should not leave younger siblings unsupervised on the playground or in the office foyer area whilst using the drop-in service. If you wish to discuss an issue that requires confidentiality, then please make an appointment through the main office for another time.

Please respect the fact that staff will be only be available between these times without a prior appointment.

Mr McTaggart

### Safety on site—UPDATE

We take the safety of your children very seriously. There have still been reports of pupils remaining unsupervised on the school site after school. Also, if there is a reason that your child cannot attend a club, **please let the main office know** as we pursue every absence. More often than not, these phone calls could have been avoided.

### Disco Fever hits Barnes Farm!

The Friends of Barnes Farm Schools organised a very successful set of discos on the evening of Saturday 26th September. They were very well attended and all pupils appeared to have a great time. Thank you all!

WE ARE  
MACMILLAN-  
CANCER SUPPORT

Thank you to all those who attended and Donated at our MacMillan coffee event last Friday. A special mention to Sainsbury's who donated £15 worth of cakes too. Overall we raised **£211.03** for this worthwhile cause.
