

Join us to help bring a Multi-Use Games Area (MUGA) to BFJS

Fundraising Goals

What will the MUGA add to our school?

- Our school is full, which means our playgrounds are full. This multi-use games area (sited on the field) will allow an extra playing space to be used all year round
- More playground space all year round means fewer accidents and happier pupils
- We aim to employ a dedicated professional to structure games in the MUGA during lunchtimes
- We will have a dedicated PE teaching space for use all year round with an excellent sporting surface
- The facility will be available for use before, after school and in school holidays
- It celebrates and adds to our long-standing and proud sporting heritage

How can I help?

- Please talk to your child about what the facility may bring to the school
- Please support the events below by attending and adding towards our £10,000 target. £2,500 has already been raised!
- Share our project with others so that it is publicised as widely as possible

Events this week

- **Sponsored Skip Thursday 10th March**. Can friends and family sponsor your child to complete 30 mins of skipping activities? Spare forms available from office
- **Phoenix House Cake Sale in the Barn on Friday 11th March at 3:15pm**
