Staff & Visitor Safeguarding Guide

March 2017

What to do if a child says they are being harmed.

- React calmly
- Listen carefully to the child, particularly what is said spontaneously
- Do not promise confidentiality. Explain to the child that you may need to pass on the information if you are worried about their safety
- You may clarify your concern using “tell, explain, describe or outline” but as soon as your concern is confirmed ask no further questions as further enquiries may be compromised

Only trained investigators should question a child.

Reassure the child that they have done the right thing

Record carefully what the child says in their words including how and when the account was given.

Request a concern sheet from one of the designated leads for safeguarding.

Date, time and sign the record. Pass this on to the Designated Member of Staff for Safeguarding immediately.

Please note all concern forms can be found in the Safeguarding folder in the Staff Room

Types of Harm

Everybody has a responsibility to keep all children under the age of 18 safe and applies to both the home and school environment. Harm is identified in four ways:

Physical—This is when a child is deliberately hurt or injured

Sexual—This is when a child is influenced or forced to take part in a sexual activity. This can be a physical activity or non-physical, e.g. being made to look at an inappropriate image

Emotional—This is when a child is made to feel frightened, worthless or unloved. It can be by shouting, using threats or making fun of someone. It can also be when children see their parents, or visitors to the home, fighting or using violence

Neglect—This is when a child is not being taken care of by their parents. It can be poor hygiene, poor diet, not keeping appointments for additional support, not coming to school or being left home alone

What Do I Do if I am Worried About a Child?

If you become concerned about:

- Something a pupil says
- Marks or bruising on a pupil
- Changes in a child's behaviour or demeanour
- You must inform the Designated Safeguarding Lead.
- If you feel that a child may be at risk of harm but are not sure then inform the Designated Safeguarding Lead immediately who will offer advice and take appropriate action
- Child abuse happens to all children regardless of gender, culture, religion, social background and those with or without a disability
- A copy of the school's safeguarding policy is located in the school office and on the school website

Preventing Extremism

Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. It can happen in many different ways and settings. If you have concerns about an individual please inform the Headteacher.

Keeping Yourself Safe

- Be professional. Be careful how you interact with or speak to a child, the child may interpret it differently
- Avoid physical contact with children unless you are preventing them from immediately harming themselves or others
- Avoid being on your own with a child, always ensure that a door is open and that you are visible to others
- It's best not to do anything for a child that he or she can do for him or herself
- Always tell someone if a child touches you or speaks to you inappropriately. Record the incident, time and date it and pass it on to the Headteacher
- If you have concerns about the conduct of staff, it is your responsibility to inform the Headteacher

Remember... if in doubt... ask.
