Park and Stride scheme at Barnes Farm Schools

Barnes Farm Schools - Park and Stride Map. Asda, Chelmer Village – Barnes Farm Schools

We are pleased to announce a new Park and Ride Scheme at your school. Asda in Chelmer Village have agreed for parents/carers to use their car park when dropping off and/or picking your children up from school. There is a footway which leads directly into the back entrance of the Barnes Farm Schools.

Where can you park?

People participating in Park and Stride are permitted to park their vehicles at the lower end of the car park, towards the petrol station - as highlighted in the green box above.

Do we need to display a permit?

We have created a *3PR Park and Stride car window sticker* which will highlight that you are participating in the Park and Stride scheme.

Asda have kindly agreed to the use of their car park and we therefore ask that you please park responsibly, abide by the speed limits, use the pedestrian walkways throughout the carpark, park in the allocated area and enter and exit the car park as indicated by the arrows on the map above.

Remember! Always use the 3 parking rules ('care, caution and consideration') when parking.
