To whom it may concern,

Following the recent disrupted educational year, Barnes Farm Junior School has arranged for the Y6 pupils to experience their 5 day residential visit to Mersea Outdoor Activity Centre from Monday 13th September to Friday 17th September arriving back at about 3pm.

This experience combines the missed residential experience in May 2021 from Y5 and the planned and more sustained residential visit for Y6 that usually takes place in the Summer 2022. We strongly encourage the children to take part and the visit will form the basis of much work later in the year - particularly around developing positive attitudes to learning and effective relationships.

The aim of the residential is to best prepare the children for a successful Y6 ahead of them as well as forging new and dynamic friendships with their peers.

The visit takes place over 5 days and involves strenuous and adventurous activities throughout the day and evening.

Regards,

Ross McTaggart
Headteacher
