15 March 2019

Dear Parents,

After School Club Proposal

Following on from discussions between the Infant school and our Governing Body, Barnes Farm Junior School has agreed in principle to move from our existing breakfast club provision to offering full wrap-around care. We now seek to gain detailed parental feedback on this proposal before fully committing to the resources needed.

Our proposal to be implemented from September 2019¹ is as follows:

- Breakfast club provision to continue in our Barn from 07:30-08:45 at £5 a session (in line with Infant school)
- After-school club provision to begin in our Barn from 15:15-17:00 (£9 a session when booked in advance) or 15:15-18:00 (£13 session when booked in advance)
- All fees payable by ParentPay. Initial registration fee of £10.
- Our curriculum will include a mix of indoor and outdoor activities
- After-school provision includes serving of a light supper
- The club will have full access to the school's outdoor spaces (MUGA, Daily Mile track etc) from 16:15 onwards
- The curriculum offer will be designed for KS2-aged pupils (Y3-Y6)
- Admission will be for KS2 pupils only
- Maximum of 30 spaces
- Possibility of limited all-day holiday club provision depending on demand (Summer/Easter and half-term breaks)

We have designed a brief survey that can be completed online before Monday 25th March. Please take the time to respond if you are likely to consider any of the provision above during your child's time at Barnes Farm Junior School. Any responses will obviously not be taken as financial commitments, but we wish to achieve a realistic and in-depth forecast of parental perspectives.
