10 January 2019

Dear Year 3 Parents,

This half term our topic is **The Stone Age to the Iron Age.**

This includes learning about prehistoric Britain, a comparison of different eras and studying how people lived.

We would like the pupils to complete a half term project entitled; Life in Prehistoric Britain.

Some ideas are as follows:

- Stone Age people built shelters to live in using natural materials. Gather materials and build a model shelter.
- The wheel was invented during the Stone Age. What is a wheel used for? Create an invention that could have been used during the Stone Age which uses wheels.
- Research and produce a Stone Age Menu.
- Research and design Stone Age tools.
- Design and make an ancient stone circle or a replica of Stonehenge. Be creative in the way you make your stone circle.
- Research the purpose of Stonehenge.

The project should be handed in by the Friday of the first week after the half term break:
1st March 2019

We look forward to viewing your project!

Yours sincerely,

The Y3 Teaching Team
