

## Learning Updates around our School

### Year 3

Y3 welcomed many parents in to take part in a literacy lesson this morning as part of our current Single Plan to raise achievement in writing. One parent commented *"really interesting to see how the children learn. Lots of interactivity and I think the children got a lot from the session"*. Y3 pupils also began their 'Bug' topic of learning which will involve using our new pond area in the Garden.

### Year 4

Some pupils took part in the 'All in' event at Columbus school in Chelmsford. The children engaged in trampolining, table top cricket and many more different sports and activities.

### Year 5

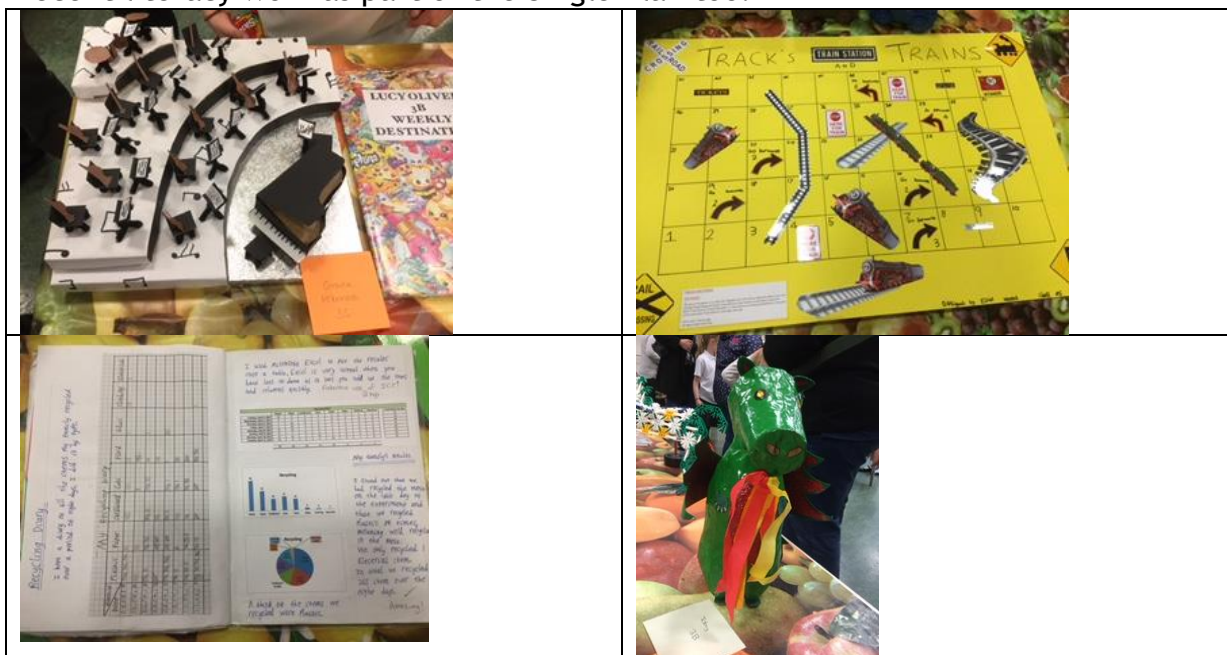

Year 5 pupils visited Sandford Mill to learn about materials. They have also begun investigating the trees on our school site as part of the BBC Terrific Scientific project.

### Year 6

Year 6 pupils have been getting ready for their SATs assessments in 2 weeks time as well as beginning their work on 'Europe' as a topic.

## Home Learning Afternoon

Thank you to all the parents and carers who attended the Home Learning afternoon to see the outcomes of the recent in-flight menu and learning journals. There was some excellent work to showcase with particular examples exhibited in the hall. Y6 put out examples of their recent literacy work as part of the Single Plan too.

## Learning Passport Design

Congratulations to Sophie Geddes in Y6 who won our competition to design next year's pupil Learning Passport. There were many great designs to choose from after it was set as an Easter Holiday homework task. Thank you to all the contributions received. More examples are on the 'News' section of the website.
